Bmptoppm User Manual

bmptoppm

Updated: March 2002

NAME

bmptoppm - replaced by bmptopnm

DESCRIPTION

This program is part of Netpbm.

bmptoppm was replaced in Netpbm 9.25 (March 2002) by **bmptopnm**.

bmptopnm is backward compatible with **bmptoppm** except that it generates PBM and PGM output when it is more appropriate than PPM.
