# Pnminterp User Manual

**pnminterp**

Updated: December 2001

## NAME

**pnminterp** - replaced by pamstretch

## DESCRIPTION

This program is part of Netpbm.

**pnminterp** was replaced in Netpbm 9.21 (December 2001) by **pamstretch**.

**pamstretch** is backward compatible with **pnminterp**, but also recognizes PAM input, including that with an alpha channel.
