Ppmddumpfont User Manual

ppmddumpfont

Updated: September 2005
Table Of Contents

NAME

ppmddumpfont - dump a Ppmdfont file

SYNOPSIS

ppmddumpfont

(There are no arguments or options)

DESCRIPTION

This program is part of Netpbm.

ppmddumpfont reads a Ppmdfont file on Standard Input and writes to Standard Error a human readable description of the font.

See Libnetpbm PPM Drawing Function Manual for details on Ppmdfont files.
