Ppmtojpeg User Manual

ppmtojpeg

Updated: September 2001

NAME

ppmtojpeg - replaced by pnmtojpeg

DESCRIPTION

This program is part of Netpbm.

ppmtojpeg was replaced in Netpbm 9.19 (September 2001) by **pnmtojpeg**.

pnmtojpeg is backward compatible with **ppmtojpeg** except that with PGM or PBM input, it generates JPEG output in the special grayscale format.
